

U.S. Immigration and Customs Enforcement Enforcement and Removal Operations

287(g) WARRANT SERVICE OFFICER (WSO) MODEL

WHAT IS THE 287(g) WSO MODEL?

The 287(g) WSO Model is authorized under section **287(g)** of the *Immigration and Nationality Act* (INA).

Under the 287(g) WSO Model, U.S. Immigration and Customs Enforcement's (ICE) Enforcement and Removal Operations (ERO) **train and partner with state and local law enforcement** agencies (LEAs), under a written Memoranda of Agreement (MOA), to safely serve and execute administrative warrants to incarcerated aliens **in their agency's jail**.

The 287(g) WSO Model is an opportunity for jurisdictions to participate in a **narrower cooperative agreement** than the 287(g) Jail Enforcement Model (JEM).

Unlike the 287(g) JEM program, WSOs do not interview individuals regarding alienage and removability. Rather, WSOs receive only limited authority to serve and execute administrative warrants, as described above.

WSO PARTNER BENEFITS

Force multiplier

for the arresting and serving of warrants on incarcerated aliens with criminal charges or convictions.

Reduce foreign national criminal offenders

released back into the community.

Efficiently and safely engage

criminal alien offenders in a secure and controlled environment rather than conducting at-large arrests in the community.

WHY WSO?

ERO worked with law enforcement partners to develop WSO for jurisdictions that seek to cooperate with federal immigration enforcement efforts but are precluded from honoring ICE detainers as a matter of state law or local policy.

HOW TO PARTICIPATE

Interested LEAs go through the following process to participate in the 287(g) WSO Model:

Interested LEAs submit a letter of interest to the local ICE ERO Field Office Director.

ICE reviews and assesses the request.

ICE approves and signs an MOA with the LEA partner.

ICE conducts background investigations on the LEA WSO candidates.

The ERO Field Office's WSO POC facilitates an 8-hour in-depth training on authorities and protocol for WSO. LEA WSO candidates must complete the training prior to commencing WSO operations.

ERO Field Offices ensure adherence to ICE policy and terms and conditions of the MOA.
